

Towel dispenser for non woven rolls - WHITE

GENERAL

Towel dispenser for non woven towel rolls

- compact and robust
- automatic mechanism
- the clean and used parts of the towel roll are separated
- the length of the clean piece of towel roll is freely determinable
- Ideal for intensive use
- Ideal for sanitary areas where no waste is desired
- lockable with a key

USAGE

The box contains two winding cylinders.

When using non-woven hand towel rolls (art. 750230) , the heaviest roll must be installed. This ensures proper rewinding of the used towel and guarantees optimal operation of the system.
