

Dispenser Ambistick - stainless steel

GENERAL

Very compact air freshener dispenser

- 100% safe and passive system: requires no batteries or power
- Constant fragrance release for 1 month per Ambistick
- Can be combined with an Ambistick Tonic Fresh (777502) or Lavanda (777503)
- Discreet size
- Ideal for small spaces: toilets, elevators, meeting rooms, classrooms, hotel rooms, stairwells, storage rooms, ...
- Also very suitable for public transportation: the Ambistick creates a pleasant travel experience for passengers on trains, trams, or buses
- Can also be placed in a waste bin or waste station to eliminate unpleasant odours
- Can also be mounted on a cleaning cart for continuous fragrance during the cleaning round
- Comes with strong double-sided tape; no drilling required

USAGE

Place the stainless steel dispenser in the desired location using the strong double-sided tape.

Take an Ambistick, break the plastic top edge, remove the silver sealing foil and slide it, fragrance side facing forward, into the stainless steel dispenser.

Avoid touching the exposed fragrance surface.
